

TOP PERFORMING

19.5" TIRES

Get the best performance at the best value.

Ready to explore options for your hardworking trucks? Kal Tire offers a wide range of brands to give you more selection, more in-stock availability and more expertise to recommend the right tires for the job.

Get the job done with quality tires engineered for the conditions you face.

Whether you're driving a service truck that ventures off-road or a last-mile delivery truck on city streets, rugged, dependable tires make all the difference. Our latest 19.5" tires bring you superior tread life, traction and stability for a variety of applications, conditions and vehicles:

- ✓ Delivery Van/Light & Heavy-Duty Truck
- ✓ All-weather
- ✓ All-terrain
- ✓ Three-Peak Mountain Snowflake rated
- ✓ Local
- ✓ Regional
- ✓ Drive
- ✓ Steer

Our Top-Performing 19.5" Tires

Nitto CD Grappler

- ✓ All-Weather Local and Regional Trucks
- ✓ Pick-up and Delivery Trucks

The Nitto CD Grappler is highly capable both on and off the road. When the snow flies, drive with confidence as this all-weather tire is studdable and bears the 3-peaked mountain and snowflake symbol. Built with an advanced casing design that delivers exceptional durability and tread life, the Nitto CD Grappler helps keep your fleet on the road all year round.

Michelin Agilis HD Grip D

- ✓ All-Weather Regional Trucks
- ✓ Pick-up and Delivery Trucks

The drive tire for year-round traction, optimized for winter conditions and limited all-position service in regional and on/off road applications. The aggressive tread design provides optimal traction performance and designed to withstand the demands of the streets with a tough, retreadable casing.

Sailun S759

- ✓ All-Weather Regional Trucks
- ✓ Pick-up and Delivery Trucks

The Sailun S759 delivers reliable year-round traction, whatever the weather. With a unique shoulder and tread block design that bites into mud and snow, get outstanding traction, handling and stability in even the most demanding weather conditions.

Bandag BDR-AS3

- ✓ All-Weather Local Trucks
- ✓ Pick-up and Delivery Trucks

The BDR-AS3 retread equips your fleet with unparalleled wear-resistance and exceptional durability to keep your fleet rolling 365 days a year. The non-directional tread pattern delivers great traction whether you face rain, snow or dry conditions.
